## EXPLANATION OF ENTRIES

- 1... 917.2990207 H  
2.... **Horton, Walt.**  
3..... Only in Bermuda / by Walt Horton. – [Bermuda :  
4..... Printed by the Island Press Ltd., 1985?]  
5..... [32] p. : all ill. ; 14 x 22 cm.  
          \$10.00  
6..... 1.Bermuda–Description and travel–Cartoons and  
          caricatures. I.Ti.

1. The first element of this sample entry is the Dewey Decimal Classification number:

917.2 Geography of and Travel in North America  
917.29 Geography/Travel West Indies  
917.299 Geography/Travel Bermuda  
917.299'0207 Geography/Travel Bermuda. Humorous treatment.

In other words, each Dewey Decimal number represents a subject. The Dewey number is followed by a letter of the alphabet, "H" in the above example. This letter represents the first letter of the main entry heading (usually the first letter of the author's surname).

2. **The main entry heading is printed in bold type.** The main entry heading in the above example is the author, **Horton, Walt.** The "author" of a work is sometimes a Government Department or some other agency or body, e.g. in the text there are main entries like this: **Bermuda. Ministry of Finance. Dept. of Statistics.** Anonymous works, most works produced under editorial direction, most serials, and other works where the authorship is diffuse, are entered under the first word of the title which is not an article.
3. The title is: "Only in Bermuda". A diagonal slash "/" following the title always precedes the name/s of the individual/s or organization/s considered to be responsible for the contents of the work, e.g. authors, editors, illustrators, etc.
4. Statements relating to the publication of the item are listed next in the example. In this case, the information is enclosed in square brackets "[ ]". Square brackets are used to indicate information supplied by the cataloguer. The source of this information can sometimes come from outside the document itself. If the place of publication, the publisher or the date of publication are uncertain, but there is some evidence which allows the cataloguer to make a reasonable guess, a question mark "?" is used. Therefore, the example shows that: the book was printed in Bermuda by the Island Press, Ltd., probably in 1985.
5. The following lines vary from entry to entry but they always include statements about the size and contents of the document. If the work has an International Standard Book or Serial Number (ISBN or ISSN) it is given along with the price. "No price" is used in the entries for items which are free of charge and for donations of out-of-print materials. This book is 32 pages in length. It is made up entirely of illustrations "all ill." and is 14 cm. high and 22 cm. long. It costs \$10.00.
6. The remainder of the record is a list of the added entries which were used by the Bermuda Library when the book was catalogued, i.e. entries will be found under the subject heading, "Bermuda – Description and travel – Cartoons and caricatures", and under the title, "Only in Bermuda".

Refined & redeemed was created when Bermuda born Raymond "Whopper Benz" Symonds found himself on the wrong side of the law. Having always had a passion for music, when Whopper Benz found himself in trouble he called on God for help. As a result comes Refined & redeemed, an album fully written by the artist while serving time behind bars.

Wanting to promote positive and also spiritual change this album was created to encourage and uplift and also to acknowledge Jesus Christ as Lord. Each song on this album has a very intimate and personal connection to the artist and his relationship with God and all listeners will find that they can relate to Whopper Benz's music in some way. The music is a mixture of reggae and gospel with some soca and rock and even techno. This is the message of a young man who was broken whom called and depended on God and as a result has been refined and redeemed and wants to tell his story by his music.

Contents: Intro by Reverend Raymond -- God is always with me -- God is good to me (featuring Litamarie) -- Hallelujah -- The devil can't keep me down (featuring Litamarie) -- Triumphant -- Mighty God -- Stop it (extended mix) (featuring Double J) -- Armor of God -- Too much war -- My God is real -- Always call on God -- Jesus is my boss -- Faithful and true.
