BERMUDA NATIONAL BIBLIOGRAPHY : 2015

A list of additions to the Bermuda National Library January to December 2015

Included are works about Bermuda and Bermudians, published both locally and abroad, works published in Bermuda on other subjects, and works published abroad by Bermudians. The *Bibliography* covers monographs, periodical publications, published and unpublished Government and other reports, audio-visual materials, and items in other formats when applicable.

The list is arranged according to the 23rd edition of the *Dewey Decimal Classification* and catalogued according to the provisions of the 2002 edition of the *Anglo-American Cataloguing Rules or Resource Description & Access (RDA)*.

The *Bermuda national bibliography* is produced on a quarterly basis with annual cumulations.

Annual subscription rates for 2015 and 2016: \$16.00 (local individuals, government departments and schools); \$22.00 (local institutions); \$30.00 (overseas individuals); \$35.00 (overseas institutions).

N.B. As of 2006, the *Bibliography* has been available free-of-charge online via the Bermuda National Library's website at www.bnl.bm. Copies of the *Bibliography* will be printed in-house and sent to subscribers for the costs listed above. Please note that annual issues are also only printed in-house.

LEGAL DEPOSIT IN BERMUDA

The Legal Deposit Act, 2008, which repeals Section 5 of the Printed Publications Act 1971, sets out the requirements regarding the deposit of new Bermuda publications in the Bermuda National Library. A small section is reproduced below:

"Delivery of copies of publications

- 3 (1) This section applies to—
- (a) a person who publishes a publication in Bermuda; and
 - (b) a person who is resident in Bermuda, or whose principal place of business is in Bermuda, and who publishes, or commissions the publishing of, a publication outside Bermuda for distribution or making available in Bermuda.
- (2) Subject to subsection (5), every person who publishes a publication shall within seven days after the date of publishing it deliver a copy of the publication, at their own expense, to the Head Librarian for deposit in the Bermuda National Library.
- (3) The copy shall be delivered in the medium in which it is published, unless another medium is prescribed."

EXPLANATION OF ENTRIES

- 1 . . . 917.2990207 H
2 **Horton, Walt.**
3 Only in Bermuda / by Walt Horton. – [Bermuda :
4 Printed by the Island Press Ltd., 1985?]
5 [32] p. : all ill. ; 14 x 22 cm.
 \$10.00
6 1.Bermuda–Description and travel–Cartoons and
 caricatures. I.Ti.

1. The first element of this sample entry is the Dewey Decimal Classification number:

917.2 Geography of and Travel in North America
917.29 Geography/Travel West Indies
917.299 Geography/Travel Bermuda
917.299'0207 Geography/Travel Bermuda. Humorous treatment.

In other words, each Dewey Decimal number represents a subject. The Dewey number is followed by a letter of the alphabet, "H" in the above example. This letter represents the first letter of the main entry heading (usually the first letter of the author's surname).

2. **The main entry heading is printed in bold type.** The main entry heading in the above example is the author, **Horton, Walt.** The "author" of a work is sometimes a Government Department or some other agency or body, e.g. in the text there are main entries like this: **Bermuda. Ministry of Finance. Dept. of Statistics.** Anonymous works, most works produced under editorial direction, most serials, and other works where the authorship is diffuse, are entered under the first word of the title which is not an article.
3. The title is: "Only in Bermuda". A diagonal slash "/" following the title always precedes the name/s of the individual/s or organisation/s considered to be responsible for the contents of the work, e.g., authors, editors, illustrators, etc.
4. Statements relating to the publication of the item are listed next in the example. In this case, the information is enclosed in square brackets "[]". Square brackets are used to indicate information supplied by the cataloguer. The source of this information can some-times come from outside the document itself. If the place of publication, the publisher or the date of publication are uncertain, but there is some evidence which allows the cataloguer to make a reasonable guess, a question mark "?" is used. Therefore, the example shows that: the book was printed in Bermuda by the Island Press, Ltd., probably in 1985.
5. The following lines vary from entry to entry but they always include statements about the size and contents of the document. If the work has an International Standard Book or Serial Number (ISBN or ISSN) it is given along with the price. "No price" is used in the entries for items which are free of charge and for donations of out-of-print materials where a current market value cannot be easily determined. This book is 32 pages in length. It is made up entirely of illustrations "all ill." and is 14 cm. high and 22 cm. long. It costs \$10.00.
6. The remainder of the record is a list of the added entries which were used by the Bermuda Library when the book was catalogued, i.e., entries will be found under the subject heading, "Bermuda – Description and travel – Cartoons and caricatures", and under the title, "Only in Bermuda".

Evans, Jonathan Land.

Siren songs : a history of Bermuda from 1960 to 1980 / Jonathan Land Evans. – [Bermuda] : [The Author], [2015]

575 pages ; 28 cm

Includes index.

"Continuing the author's wide-ranging series on Bermuda's modern history, Siren Songs covers a very prosperous but also very troubled period, notable for political modernisation, labour unrest, Black Power extremism and rampant crime, yet also for ongoing success in tourism and in international business (including a promising new industry in the form of "captive" insurance companies for major American corporations). Agitation for universal adult suffrage, the emergence of the left-wing Progressive Labour Party as the island's first big political party, and the embracing by many black Bermudians of fashionable anti-Establishment radicalism from the wider world, set the stage for a tumultuous chapter in Bermuda's history."—Page 4 of cover.
