BERMUDA NATIONAL BIBLIOGRAPHY

January – March 2020

A list of additions to the Bermuda National Library January to March 2020

Included are works about Bermuda and Bermudians, published both locally and abroad, works published in Bermuda on other subjects, and works published abroad by Bermudians. The *Bibliography* covers monographs, periodical publications, published and unpublished Government and other reports, audio-visual materials, and items in other formats when applicable.

The list is arranged according to the 23rd edition of the *Dewey Decimal Classification* and catalogued according to the provisions of the 2002 edition of the *Anglo-American Cataloguing Rules* (records created prior to 2014 for continuing resources) or *Resource Description & Access (RDA)*. Occasionally notes have been left out or abbreviated. Full bibliographic records can be viewed in the online catalogue via the Bermuda National Library's website at www.bnl.bm.

The *Bermuda national bibliography* is produced on a quarterly basis with annual cumulations.

The *Bermuda national bibliography* is available free-of-charge online via the Bermuda National Library's website at www.bnl.bm. Printed copies of the *Bibliography* can be viewed in the Library.

LEGAL DEPOSIT IN BERMUDA

The Legal Deposit Act, 2008, which repeals Section 5 of the Printed Publications Act 1971, sets out the requirements regarding the deposit of new Bermuda publications in the Bermuda National Library. A small section is reproduced below:

- 3 (1) This section applies to—
- (a) a person who publishes a publication in Bermuda; and
 - (b) a person who is resident in Bermuda, or whose principal place of business is in Bermuda, and who publishes, or commissions the publishing of, a publication outside Bermuda for distribution or making available in Bermuda.
- (2) Subject to subsection (5), every person who publishes a publication shall within seven days after the date of publishing it deliver a copy of the publication, at their own expense, to the Head Librarian for deposit in the Bermuda National Library.
- (3) The copy shall be delivered in the medium in which it is published, unless another medium is prescribed."

EXPLANATION OF ENTRIES

- 1 917.299 A
- 2 **Augustinovic, Horst.**
- 3 What you may not know about Bermuda.
Volume three / by Horst Augustinovic. –
- 4 Hamilton, Bermuda : Print Link, [2015]
- 5 111 pages : illustrations (some colour),
facsimiles, maps, portraits ; 26 cm
"Written for Bermuda"--Cover.
ISBN: 9780947480080 : \$24.00
- 6 1.Bermuda--Guidebooks. 2.Bermuda--Social
life and customs. 3.Bermuda--History. I.Ti.
II.Ti.: About Bermuda.

1. The first element of this sample entry is the Dewey Decimal Classification number:

900 - GEOGRAPHY, HISTORY, AND AUXILIARY DISCIPLINES
910 Geography and Travel
917.2 Geography of and Travel in North America
917.29 Geography/Travel West Indies and Bermuda
917.299 Geography/Travel Bermuda

In other words, each Dewey Decimal number represents a subject. The Dewey number is followed by a letter of the alphabet, "A" in the above example. This letter represents the first letter of the main entry heading (usually the first letter of the author's surname).

2. **The main entry heading is printed in bold type.** The main entry heading in the above example is the author, **Augustinovic, Horst.** The "author" of a work is sometimes a Government Department or some other agency or body, e.g., in the text there are main entries like this: **Bermuda. Ministry of Finance. Dept. of Statistics.** Anonymous works, most works produced under editorial direction, most serials, and other works where the authorship is diffuse, are entered under the first word of the title which is not an article.
3. The title is: "What you may not know about Bermuda. Volume three." A diagonal slash "/" following the title precedes the name/s of the individual/s or organisation/s considered to be responsible for the contents of the work, e.g., authors, editors, illustrators, etc.
4. Statements relating to the publication of the item are listed next in the example. In this case, the date is enclosed in square brackets "[]". Square brackets are used to indicate information supplied by the cataloguer. Publication dates are recorded in square brackets when the item contains a copyright date but no publication date or if the date is obtained from somewhere other than the item in hand. The source of information in catalogue records can come from outside the document itself. If the place of publication, the publisher or the date of publication are uncertain, but there is some evidence which allows the cataloguer to make a reasonable guess, a question mark "?" is used. Therefore, the example shows that: the book was published in Hamilton, Bermuda by Print Link, in 2015.
5. The following lines vary from entry to entry but they always include statements about the size and physical description of the item. Records may also include notes about the source or contents of the materials or any other information that the cataloguer considers of importance. If the work has an International Standard Book or Serial Number (ISBN or ISSN) it is given along with the price. "No price" is used in the entries for items which are free of charge and for donations of out-of-print materials where a current market value cannot be easily determined.
6. The remainder of the record is a list of the added entries which were used by the Bermuda National Library when the book was catalogued, i.e., entries will be found under the subject headings, "Bermuda--Guidebooks," "Bermuda--Social life and customs" and "Bermuda--History" and under the titles, "What you may not know about Bermuda. Volume three" and "About Bermuda."

Our journey together started out as good as you cared for me and always kept me clean and bright. Unfortunately, over time, you stopped caring for me, and you assumed I would always be around. Repeatedly, you let plaque and bacteria invade our once-healthy mouth. Luckily, I have kept a diary over the course of time to remind you of how you lost me. Hopefully, my diary will encourage others to take care of their teeth so that they can have them not only for the moment but for a lifetime. This is my story."--Page 4 of cover.
